

John Mulcahy

Employment

G4S Ireland, Event steward

Little Island, Co. Cork | Feb 2017 – to July 2017

- Event steward for Munster rugby matches, working part time.
- Working with patrons and ensuring their safety at all times.
- Helping to ensure the event runs smoothly and dealing with issues promptly and efficiently.

Kostal Automotive Factory, General Operator

Abbeyfeale, Co. Limerick | August 2013 – September 2016

- Worked as part of a team on the production of circuit boards for hybrid electric cars.
- Removed the risk of assembly errors being made on the manual assembly line by articulating an idea to separate similar materials used in production.
- Became proficient in 4 different roles in Kostal from product assembly right through to testing.
- Developed skills to maintain the standard and quality of my work.

Bay Tree Garden Centre, Sales Assistant

Newcastle west, Co. Limerick

May 2012-December 2012 Part-time

- Dealing with customers and giving advice to customer queries.
- Sales of garden centre products and services.
- Contributed to the maintenance of the garden centre.
- I assisted the manager with landscaping on a regular basis during my time there.

Education

Griffith College Cork - Bachelor of Science in Computing Science - Level 7

Expected Completion: May 2019

Cork Institute of Technology - Bachelor of Science in Horticulture - Level 7

September 2010 - June 2013

Key Qualities

- Confident in the tasks I approach, address situations with a positive outlook and well-driven in my approach to all aspects of life.
- Computer skills: Programming, MS Word, Excel, PowerPoint, and Data Entry.
- Approachable person and work well in teams or on my own.
- Maintain a high level of quality in my work and follow job descriptions accurately.
- I really enjoy fixing things, solving problems and am eager to learn new skills.
